

ANNOUNCEMENT DEVELOPMENT TOUR

Notice to the general public is hereby given that members of the City Council, Planning Commission, and City Staff have been invited to participate in an on-site tour of the new development Spectrum at Watkins Mill on Monday, July 29th at 7:30 P.M.

The Spectrum at Watkins Mill is a mixed use development located at the intersection of Watkins Mill Road and North Frederick Avenue. When complete, the development will feature over 600 apartments, restaurants and retail stores. The signature feature of the development is Performer's Park – a gathering space that includes a programmable splash fountain and a performance stage. Tours of the development project and light refreshments will be provided.

The event will take place on-site at 230 Spectrum Avenue, in the Library at Paramount East. As this is an active construction site, attendees are asked to wear close-toed shoes for safety purposes. The public is invited to attend, but we ask that attendees register in advance. Please contact Planning Division Chief Lauren Pruss by the close of business on Friday, July 26th at 301-258-6330.
